# WHITEWATER RAFTING

On the Peshtigo River

**May 16-18**

This is a FUN!! Outing. We will be rafting down the Peshtigo River with Kosir's River rafting on Sunday May 18. This is true whitewater rafting on rubber rafts provided by Kosir's. The rafting trip itself is between 1 ½ and 2 ½ hours – depending on water conditions. It covers stretch of the river with a lot of boulder fields that have simple fast water (when the river is high enough) and which we have to paddle through – and 5 true drops in the river – where we steer, hang on, and get wet.

We will be staying at Torinus Lodge at Bear Paw (thus no worrying about the weather – unless you really want to tent.) It is also something of a cooking challenge and contest – since we will be bringing and preparing our own meal for at least Sat. night dinner (perhaps another meal too). So we can get daring and show off our individual skills.

By staying at Bear Paw we get a preview of our Summer camp site and experiences – so this is really great for scouts that have not been to Summer camp before.

During upcoming weeks we will be giving clothing and food guidelines and suggestions, and also talk about the required release forms required by Kosir's.

Expected cost of the outing is \$30 for scouts and adult leaders – and \$45 for all others.

Since we have to reserve space on the outing, sign-up early and get your permission slip and money in ASAP. If you don't, it is possible there won't be a space for you.

Permission slips and money **MUST** be returned no later than May 1.
